Mr. Tom Johnson, the assistant train dispatcher of the Mississippi and Tennessee railroad, gave his friends a genuine surprise yesterday by becoming a Benedict. The fortunate young lady was Miss Mary Butz. His friends wish him much happiness.

Justice Powell is evidently trying to get the Taxing District out of debt, from the amount of fines he imposes and collects from the persons assigned at the Police Court. The boy says he only speaks two languages, and 50%.

The police made a raid yesterday on the persons who have refused to trim branches of shade trees which interfere with the gas lamps. Mr. Bird, M. J. Ward and Mrs. Sneed, who reside on the corner of Main and Shelby, put up forfeits for appearance.

The office of Justice of the Peace for the Fifth Civil District, which embraces the First, Second, Third and Eighth Wards, is sought after by no less than four candidates. Mr. Joseph Fynn makes his announcement in this issue of the Appeal. He is not a dark horse, and his friends claim that he is in every way worthy of the suffrages of all classes of voters. It is needless to state that "Joe" is a sound Democrat.

A meeting of the Memphis Cycle Club was held at the Gayoso Hotel last night, and a reviving interest in the sport manifested. Six new members were enrolled, and plans for future operations discussed with enthusiasm. New rooms and a new track are talked of to be ready October 1st. Another meeting will be held tonight at 205 Main street at 8 o'clock, and a full attendance is anticipated.

Democratic primer will be held from 8 to 8 o'clock p.m. today, to elect delegates to the Congressional and Legislative conventions, the former of which will convene on the 17th of this month and the latter on the 23d. It is of the utmost importance that a full vote be polled and good men sent to both conventions, as the Republicans are up and doing and will make a vigorous fight in both contests.

Advice to Mothers.

Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferers at once; it produces natural sleep by relieving the child from pain, and the little thumb awakes as "bright as a button." It is most pleasant to taste. It soothes the child, softens the tongue, allays all pain, relieves wind, relaxes the bowels, and is the best known remedy for diarrhea, whether arising from teething or other causes. Twenty-five cents a bottle.

A fair despatch from Hernando street made it quite sulphurous last night at the Peoples' Theater or during her brief visit to that dramatic temple. She evidently had mixed her drinks.

The city just now is filled with merchants from the country, who are making purchases of their fall stocks. Trade is booming in consequence and our wholesalers are correspondingly happy.

The Louisville, New Orleans and Texas railway, a part of the Huntingdon transcontinental system, yesterday registered a first mortgage of \$16,900,000 to the Union Trust Company, of New York, the bonds being each for \$100.
